

Special Issue

Natural and Technological Hazards in Urban Areas: Assessment, Planning and Solutions

Message from the Guest Editors

This Special Issue focuses on:

- all atmospheric, hydrologic, geologic and geomorphologic hazardous natural phenomena that potentially affect human life and activities in urban areas,
- technological hazards such as salinization, desertification, fires, water and soil pollution/degradation, land use changes, climate changes, waste, civil disturbances, dam failure, hazardous materials incidents, pipelines, radiological events and transportation in urban areas.
- mapping, hazard and risk assessment, prevention, protective actions,
- hazard treatment, risk management technology, land use planning,
- innovative technologies, concepts and approaches for hazard mitigation, preparedness, response, and recovery.

Guest Editors

Dr. George D. Bathrellos

Dr. Hariklia D. Skilodimou

Dr. Konstantinos G. Chousianitis

Dr. Charalampos Vasilatos

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
