New Insight on Sustainable Public Policy

Message from the Guest Editors

Sustainability is important, not only for the world but also for the private sector and for public service as well. In these turbulent days, with pandemics, economic recession and climate change debates, the authorities are called upon to grant a decent life for inhabitants all over the world. This is a humanitarian need.....

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits
