

## Special Issue

# Sustainability in Organizational Culture and Intercultural Management

### Message from the Guest Editors

This Special Issue on “Organizational Culture and Intercultural Management” is collecting texts which would be covering the following topics: Psychological and social influences on cultural management processes; the issues of intercultural management in the context of various organizations, international cooperation, integration, and globalization; the role of the transformation of the form of work into a remote system in the context of contemporary challenges (e.g., a pandemic); the place of public or private organizations in a changing economic, social, and cultural environment; managing values, knowledge, and innovation in the context of modern organizations; the role of culture, including processes of virtualization, digitization, and visualization in an environment of organizational changes.

---

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
