

Special Issue

Pathways for Implementing the Sustainable Development Goals (SDG)

Message from the Guest Editors

The Sustainable Development Goals (SDG) offer an international framework to end poverty, protect the planet, and improve the lives and prospects of everyone. Five years after the adoption of the SDGs, progress has definitely been made, but substantial challenges still remain. The SDGs provide a set of targets and indicators, but less guidance on how they can be used to support the transition to a more sustainable society. In many organizations, governmental and private, SDGs are increasingly taken up in strategies and associated action plans. However, many organizations also struggle to go beyond communication and sensitization and progress toward systemic change. This Special Issue aims to explore the challenges related to the implementation of the SDGs by authorities at national and subnational level and by companies...

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
