

Special Issue

Plant Biodiversity with Sustainability

Message from the Guest Editor

In this Special Issue, prominent researchers are invited to communicate their original research and review articles that explore the “Plant Biodiversity for Sustainable Use”. The Special Issue critically follows the policies of *Sustainability* concerning submission, publication, review process, etc.; kindly review these before attempting a submission.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
