

Special Issue

Ecosystem Services and Sustainable Spatial Planning

Message from the Guest Editor

Original research articles and review papers are welcome. Research topics may include (but are not limited to):

- Categories and types of ecosystem services (ES) important for spatial planning;
- Differences between urban and rural land use (planning), and ecosystem services;
- Consideration of ecosystem services in spatial planning and infrastructure policies;
- Measurement, assessment, valuation of ecosystem services for spatial planning;
- Case studies and examples of successful acknowledgement of ecosystem services in planning;
- Instruments and frameworks for including ecosystem services in spatial planning and infrastructure policies/projects;
- Global or regional perspectives of ecosystem services in planning;
- Impacts of planning and infrastructures on ecosystem services (including methods for assessing impacts);
- Contribution of ecosystem services to sustainable planning;
- Determinants of ecosystem services and the degradation of ES.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
