# **Special Issue**

# Professional Behavior Risk Management and Safety Sustainability

## Message from the Guest Editors

This Special Issue is expected to contribute remarkable knowledge about professional behavior risk management and safety sustainability to the relevant literature and be helpful for the concerned authorities and stakeholders to develop effective interventions to reduce industrial accidents and fatalities and protect workers' health. This Special Issue publishes highquality and peer-reviewed papers with a broad scope, including, but not limited to, the aging workforce, human factors, occupational ergonomics, biomechanics, risk perception, safety and health management. professional behavior risk management, and safety sustainability. Papers related to occupational safety and health and risk management are also welcome. The listed keywords suggest just a few of the many possibilities. Please consult the editor for further information, Dr. Alan Hoi Shou Chan

# **About the Journal**

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
