

Special Issue

Sustainable Forest Management and Environmental Sustainability: Challenges and Management Implications

Message from the Guest Editors

This Special Issue invites original research articles and review papers focusing on forest ecology, sustainable forest management and environmental conservation. Potential topics include:

- Forest ecology and biodiversity conservation;
- Impacts of climate change on forest ecosystems;
- No-timber forest products, livelihoods and poverty alleviation;
- Sustainable utilization of forest resources;
- Invasive plant management in forests;
- Forest yield, inventory, silviculture and biomass estimation;
- Land use and land cover changes;
- Logging, timber production and sawmilling;
- Advocacy and forest governance;
- Forestry practices and wood technology;
- Ecological infrastructure and engineering for sustainable forest management;
- Community-based forest resource management.

Guest Editors

Dr. Yashwant Singh Rawat

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
