

Special Issue

Small and Family Business Sustainability and Resilience

Message from the Guest Editor

This Special Issue has two aims. The first is to augment the understanding of key vulnerabilities of small and family businesses that are barriers to sustainability, resilience, and success. The second is to encourage contributions focused on the adjustments that small businesses and family businesses make to reach sustainability and resilience. Keywords

- Small Business Sustainability
- Family Business Sustainability
- Family Business Success
- Small Business Success
- Business Disaster Recovery
- Business Resilience
- Adaptive Capacity

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
