

## Special Issue

# Social Networks and Pandemic Health issues

### Message from the Guest Editors

This Special Issue is framed around the COVID-19 pandemic and the sustainable approach of the investigations. Researchers can provide scientific contributions on topics such as loneliness, social support, innovative technology-based initiatives, community initiatives, educational interventions, descriptions of the spread of the pandemic, network dynamics, analyses on vulnerable populations, etc.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
