

Special Issue

Social Networks and Pandemic Health issues

Message from the Guest Editors

This Special Issue is framed around the COVID-19 pandemic and the sustainable approach of the investigations. Researchers can provide scientific contributions on topics such as loneliness, social support, innovative technology-based initiatives, community initiatives, educational interventions, descriptions of the spread of the pandemic, network dynamics, analyses on vulnerable populations, etc.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
