

Special Issue

Sustainability in Social Investment and Responsible Trade

Message from the Guest Editors

This Special Issue will comprise a selection of papers presenting original and innovative contributions to the advancement of research related to social sustainability, especially focused in social investment developed internally by companies and externally by public or private market actors, and responsible trade along global supply chains. This implies to analyze and reflect on social sustainability issues including but not limited to Fairtrade, social criteria in sustainable supply chain management, sustainability and social innovation, social impact management of climate change strategies and social impact investing.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
