

Special Issue

Sport Policy and Finance

Message from the Guest Editors

The importance of focusing on sustainability in sport policy and finance has been increasingly emphasized by academics and practitioners worldwide. This Special Issue seeks submissions on this topic, with a view to advancing academic knowledge and providing practical recommendations based on articles representing the different parts of the world. The following list is not exclusive, but cross-cutting themes might include: policy, financial investment and social impact; policy, talent and/or career sustainability; career transition and financial sustainability; policy and sustainable engagement of actors; sport for development and peace and sustainability; policy change and sustainability; sustainability of sports events and financial impact on sports organisations; non-for-profit organisations and financial sustainability; sustainable performance and financial value insolvencies and remedies; financial regulation and sustainability; financial capability, innovation and sustainable development; stadium funding and sustainable business model; women's sports and sustainability; and sports and sustainable governance.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
