

Special Issue

Sport Policy and Finance

Message from the Guest Editors

This Special Issue, as a continuation of the successful Special Issue “Sport Policy and Finance” (https://www.mdpi.com/journal/sustainability/special_issues/Sport_Policy_Finance), seeks submissions on this topic, with a view to advancing academic knowledge and providing practical recommendations based on articles representing the different parts of the world. The following list is not exclusive, but cross-cutting themes might include: policy, financial investment, and social impact; policy, talent, and/or career sustainability; career transition and financial sustainability; policy and sustainable engagement of actors; sport for development and peace and sustainability; policy change and sustainability; sports events and impact on sports organisations and territories; sports events and legacy governance; non-for-profit organisations; performance and financial value; insolvencies and remedies; financial regulation and sustainability; financial capability, stadium funding and sustainable business model; women’s sports; e-sport and its sustainable development; new data typology; youth sports; and financial sustainability of the sport industry.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
