# A Sustainability Perspective on Office Environment Influence on Employees and Organizations

### Message from the Guest Editor

Sustainability and an inclusive perspective on an office environment's influence on employees and organizations cover different aspects in a broad and interdisciplinary field of research. This Special Issue will gather the work of scientists investigating the sustainability of office design and organizations from a wide perspective. In the search for knowledge about the subject, we welcome various perspectives and approaches, including empirical and theoretical research on various concepts, theories, and methods.
