

Special Issue

Sustainability and Resiliency under Multi-Hazards

Message from the Guest Editors

In this Special Issue, we solicit high-quality original research articles focused on the state-of-the-art techniques and methods employing sustainability, resilience, and risk analysis of structures and infrastructures under multi-hazards. Topics of interest include, but are not limited to:

- Sustainable and resilient building design systems;
- Community resilience and sustainable planning;
- Sustainable and resilient design of infrastructural components;
- Sustainable and resilient design of infrastructural networks;
- Case studies and validations of sustainable and resilient systems;
- Cloud-based sustainable and resilient design or assessment platforms;
- Influence of social and economic sectors in sustainable and resilient systems;
- Risk and resiliency of bridges, dams, nuclear power plants, and transportation networks.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
