

Special Issue

Sustainability in Sport: When the Future of Sport Is Being Decided Now

Message from the Guest Editors

This Special Issue focuses on sustainability in sport. Its general aim is to provide an up-to-date analysis in this field. Submissions should explicitly speak to one or more of the following themes:

- Eco-conception and management of sport facilities;
- Eco-conception of sporting goods;
- Legacy of sporting events (social, environmental);
- Sustainable volunteer management;
- Sustainable sponsorship;
- Cause-related marketing;
- Engagement and greenwashing perception;
- Engagement of governing bodies and sport federations;
- Sustainable sport leisure and tourism.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
