

## Special Issue

# Sustainability in Agribusiness Food Chains

### Message from the Guest Editor

For this Special Issue of *Sustainability*, we welcome original contributions that demonstrate how the various stakeholders in food value chains have collectively addressed any of the following issues:

- Sustainable food marketing
- Adoption of innovative products/processes to enhance sustainability at any stage of the food chain
- Alternative business models for linking farmers to markets
- Facilitating the adoption of safe, sustainable quality management systems
- Green purchasing
- Minimizing food waste
- Value chain governance, power, and trust
- Minimizing risk and uncertainty
- Promoting local food
- Improving dietary and nutritional outcomes

---

### Guest Editor

Prof. Dr. Peter J. Batt

Institute of Agriculture, The University of Western Australia, 35 Stirling Highway, Perth 6009, Australia

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
