

Topical Collection

Sustainable Finance and Banking

Message from the Collection Editors

This Topical Collection will gather empirical and theoretical studies covering a wide range of themes related to sustainable finance and banking. In particular, we encourage submissions that address issues related (but not limited) to the following main topics:

- Sustainable finance;
- Green finance;
- Ethical finance;
- Sustainable banking;
- Socially responsible investments;
- ESG/CSR and banks' management and financial performance;
- Banks' contribution to SDGs;
- Impact finance;
- Financial literacy and financial education initiatives;
- Financial inclusion and access to finance;
- Microfinance and sustainability.

Keywords

- sustainable finance
- green finance
- ethical finance
- sustainable banking
- investments
- bank management
- impact finance

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
