

## Special Issue

# Sustainable Innovations in Precision Agriculture

### Message from the Guest Editor

We are faced with complicated and difficult challenges as we strive to supply and distribute enough food for an ever-expanding global population while protecting the natural environment.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
