Special Issue

Sustainable Development Goals: What Is the Role of Smart Tourism City?

Message from the Guest Editors

Sustainable tourism development concerns current and future economic, social and environmental impacts: making optimal use of environmental resources, respecting the socio-cultural authenticity of host communities, and contributing to inter-cultural understanding and tolerance, fairy distributing socio-economic benefits to all stakeholders.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
