

Topical Collection

Feature Papers in Sustainable Use of the Environment and Resources

Message from the Collection Editors

We are pleased to announce a new Special Issue entitled “Feature Papers in Sustainable Use of the Environment and Resources”. This is an important collection of high-quality reviews and original papers that cover recent advances in our understanding of sustainable use of the environment and resources. Only contributions from the Editorial Board and papers from distinguished scholars in the field invited by Editorial Board Members, or the Editorial Office will be accepted in this Special Issue. Researchers are welcome to contact the Editorial Office to be invited.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
