Special Issue

Sustainable Governance: ESG Practices in the Modern Corporation

Message from the Guest Editors

- Exploration of ESG Strategies: Research on how companies implement and operationalize ESG strategies, with a focus on the role of leadership, stakeholder engagement, and aligning ESG goals with corporate strategy;
- Impact Evaluation and Reporting: Analysis of ESG impact measurement, reporting standards, and the effectiveness of frameworks like GRI, SASB, and TCFD in enhancing transparency and accountability:
- Regulatory and Policy Implications: Research on the impact of regulatory environments and public policies on corporate ESG practices, including comparative studies across different jurisdictions;
- ESG and Financial Performance: Investigations into the relationship between strong ESG practices and financial performance, risk management, and investor behavior:
- Innovation and Technology: Exploration of the technological innovations driving ESG advancements, such as green technologies, data analytics, and blockchain for sustainability tracking;
- Social Responsibility and Corporate Culture: Examination of how social responsibility initiatives and corporate culture transformations contribute to sustainable development goals and stakeholder welfare.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
