# **Special Issue**

# Fuel Consumption and Pollution Emissions under the Sustainable Development Goals

# Message from the Guest Editors

This Special Issue welcomes high-quality, processoriented, and hypothesis-based submissions that report results from original and novel research and contribute new knowledge to help address problems related to fuel consumption and pollution caused by emissions under the sustainable development goals at a regional or global scale. Discussions of the effects of fuel consumption and pollutant emissions under the sustainable development goals are welcome. Research areas may include (but not limited to) the following:

- Low carbon fuel consumption;
- Clean utilization of fossil fuels:
- Hydrogen fuels;
- Air pollution;
- Emission reduction:
- Harmless treatment of combustion wastes:
- Sustainable development in fuel consumption.

# **About the Journal**

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA

#### **Author Benefits**

### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

### **High Visibility:**

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

#### Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
