

Special Issue

Technology Enhanced Learning Research

Message from the Guest Editors

This Special Issue seeks papers that address, but are not limited to, the following issues and aspects related to the diverse aspects of pedagogical, learning, and technological issues of TEL adoption in education:

- Policy design and policymaking for TEL research, and implications for education
- The role of emerging technologies in the debate on TEL research
- Comparative aspects of TEL research
- Technology-enhanced learning innovative technologies
- Smart learning services powered by emerging technologies
- Artificial intelligence applications in TEL
- Data mining, text mining, and sentiment analysis for advanced TEL solutions
- Learning analytics and educational analytics
- Innovation networks in the context of TEL research
- Recommended systems in the context of TEL research
- Robotics and 3D printing learning initiatives
- Virtual reality applications for TEL
- Social networks and TEL applications

Guest Editors

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon
School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
