

Special Issue

Trends on Responsible and Sustainable Tourism

Message from the Guest Editors

This special issue is devoted to sustainable and responsible tourism, specially in the era post COVID-19. We welcome original research and methodology manuscripts that present novel uses on sustainable tourism. Topics that will be covered by this special issue will include (not exclusively): new ways to be socially responsible in tourism activities, ecotourism and environmental, social and economic impacts, ecotourism and sustainable development relationship, impact assessment of COVID-crisis on sustainable tourism, communication strategies for responsible tourism, ecolabels and environmental accreditation in tourism, greener food choices, animal welfare, ecological footprint in tourism. Topics can be applied to all the segments of tourism as adventure, heritage, culture, gastronomy, nature, sport, health, religious, and so on.

Guest Editors

Prof. Dr. José M. Ramírez-Hurtado

Prof. Dr. Juan Manuel Berbel Pineda

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
