# Urban and Rural Event Tourism and Sustainability: Exploring Economic, Social and Environmental Impacts

### Message from the Guest Editor

We welcome papers that:

- offer perspective on pressing issues concerning urban tourism planning, policy and development aligned with economic, social and/or environmental impacts;
- outline how different approaches and contexts of urban event tourism regeneration, planning and development are considered in relation to the triple bottom line;
- assess how the triple bottom line is considered when planning for sustainable event tourism futures and legacies in cities;
- present new theoretical insight, perspective and/or recommendations that address further considerations and directions for urban event tourism research, concerning sustainability, policy, development and regeneration.

# About the Journal

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
