

## Special Issue

# Editorial Board Members' Collection Series: Recent Advances in Green and Sustainable Building

### Message from the Guest Editors

Sustainable building is an important issue in global sustainable development. We are pleased to announce this collection titled "Editorial Board Members' Collection Series: Recent Advances in Green and Sustainable Building", which will collect papers invited by the Editorial Board Members. This collection aims to collect high-quality articles and the latest research results in the field of sustainable building and to provide a platform for networking and communication among scholars in the field of building. All papers will be fully open access upon publication after peer review.

### Guest Editors

Prof. Dr. Francesco Asdrubali

Prof. Dr. Elisa Di Giuseppe

Dr. Sayanthan Ramakrishnan

Dr. André Furtado

### Deadline for manuscript submissions

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
