

## Special Issue

# Sustainable Consumption and Circular Economy

### Message from the Guest Editor

Dear Colleagues:

In recent years, circular consumption has gained more attention from customers. This Special Issue aims to uncover various reasons for sustainable consumption both offline and online environments.

Topics of interest include the following content, but are not limited to, ethical issues of circular consumption in the context of:

both offline and online environments  
consumer attitudes towards second-hand goods  
entrepreneurial initiatives toward ethical consumption  
sustainable consumption in developed, developing, and emerging markets.

I look forward to receiving your contributions.

# About the Journal

## Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
