

Special Issue

Sustainability and Innovation in the International Agri-Food Business

Message from the Guest Editor

Despite a growing body of research on sustainability and innovation in general, and in the international agri-food business, this Special Issue calls for new research into sustainability and innovation in the international agri-food business. This call invites research contributions on topics such as, but not limited to:

- Sustainable innovation in global food chains;
- Sustainability and innovation in international agri-food business models;
- Innovation in circular international agri-food companies;
- Sustainability and innovation international agri-food development;
- International agri-food SMEs and sustainability and innovation.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
