

Special Issue

Benefits and Co-benefits of Natural and Built Environment Requalification and Conservation Strategies: Advances in Multidisciplinary Valuation Approaches and Assessment Models

Message from the Guest Editors

This Special Issue aims to stimulate the debate on co-benefit valuation approaches and contribute to the proposal of advanced valuation and assessment models of natural and environmental resources and cultural goods, specifically related (but not limited) to:

- Stated preference methods (contingent valuation, conjoint choice analysis, etc.);
- Revealed preference methods (spatial hedonic regressions, travel cost method, production functions, etc.);
- Benefit and value transfer approaches;
- Multicriteria approaches.

Relevant topics include also cost-benefit and cost-effectiveness analysis of investments in:

- Building energy retrofit;
- Cultural heritage conservation and valorization;
- Urban regeneration;
- Abandoned urban areas requalification.

Guest Editors

Prof. Dr. Marta Bottero

Prof. Dr. Chiara D'Alpaos

Dr. Francesca Abastante

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
