Special Issue

Sustainable Community-Based Tourism: A Resilience Perspective

Message from the Guest Editor

The goal of this Special Issue is to pool contributions that use different perspectives on resilience (socioecological resilience, community resilience, tourist resilience, etc.) to shed light on the study of CBT sustainability. The Special Issue target is to gain a more complex understanding of the cultural, social, economic and environmental transformation processes associated with CBT experiences through the lens of resilience. **Keywords:**

- Community-based tourism
- Social sustainability
- Environmental sustainability
- Resilience
- Social-ecological resilience
- Community resilience

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
