

Special Issue

Company Assessment: Basis of Its Sustainable Development

Message from the Guest Editor

As a , I would like to invite you to participate in the Special Issue “Company Assessment: Basis of Its Sustainable Development” in the Journal *Sustainability*. The offered topic is current; I have been interested in it for my entire professional career. It involves company evaluation, company assessment, financial analyses, benchmarking, corporate finance, financial health, financial distress, and bankruptcy. I hope you will see it as an opportunity to discuss your research results with people interested in your topic, i.e., a company assessment. More details at: https://www.mdpi.com/journal/sustainability/special_issues/company_assessment

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
