Special Issue

Company Assessment: Basis of Its Sustainable Development

Message from the Guest Editor

As a , I would like to invite you to participate in the Special Issue "Company Assessment: Basis of Its Sustainable Development" in the Journal *Sustainability*. The offered topic is current; I have been interested in it for my entire professional career. It involves company evaluation, company assessment, financial analyses, benchmarking, corporate finance, financial health, financial distress, and bankruptcy. I hope you will see it as an opportunity to discuss your research results with people interested in your topic, i.e., a company assessment. More details at:

https://www.mdpi.com/journal/sustainability/special_issues/company_assessment

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA
