# **Special Issue**

# Ecotourism and Sustainable Development: Challenges and Opportunities

### Message from the Guest Editors

Considering your expertise, you are invited to submit your work in a Special Issue entitled "Ecotourism and Sustainable Development: Challenges and Opportunities" at the international, peer-reviewed open access journal Sustainability. The scope of the issue is aiming to bridge research conducted at a multidisciplinary level and address issues relevant to the sustainable practice of ecotourism; a worldwide fast-growing trend in the travel industry.

The purpose of this issue is to show the work that has been done from a wide range of multi-disciplinary professions. Specifically, scientific organizations (from the research fields of environment economy, business, computer sciences, etc.), hospitality professions, policy makers, NGOs and stakeholders can help enlighten the path to achieve sustainable long-term practices of ecotourism while safeguarding ecosystems. You are all welcome to take advantage of this unique outstanding opportunity to show your work. Chief Guest Editor: Assistant:

### **Guest Editors**

Dr. Valasia lakovoglou

UNESCO Chair "Conservation and Ecotourism in Riparian and Deltaic Ecosystems, Con-E-Ect", International Hellenic University, 60100 Drama. Greece

Dr. Martin C. Gimenez Suarez

School of Forest Engineering and Natural Resources, Universidad Politécnica De Madrid (UPM), 28040 Madrid, Spain

### Deadline for manuscript submissions

closed (15 March 2023)

## **About the Journal**

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

#### Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA

#### **Author Benefits**

### Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.
