Special Issue

Energy Efficient Domestic Appliances and Smart Lighting Technologies

Message from the Guest Editors

This Special Issue, "Energy Efficient Domestic Appliances and Smart Lighting Technologies", focuses on energy efficiency for domestic appliances, including lighting. We are targeting papers on the latest developments in technologies, behavioral aspects and policies for technologies ranging from Residential Appliances-White Goods, Smart and Clean On-Site Power Generation, Smart Appliances and Smart Homes, including Smart Lighting, Smart Grids and Metering at a domestic level, Indoor and Outdoor Lighting, Solid-State Lighting systems (LED, OLED, Lasers, UV-LEDs), Lighting Controls and Sensors, Visual Light Communications, including LiFi Technology. Beyond technology itself, this Special Issue is open also to papers on Consumer Behavior, Global Climate Change Mitigation Policies and National Programs adopted or planned, as well as Market Surveillance and Enforcement Mechanisms.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University, Columbus, OH 43210, USA

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPlus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1 (Geography, Planning and Development)
