

Special Issue

Forest Ecosystem Services and Urban Green Space

Message from the Guest Editor

This Special Issue aims to explore innovative approaches for assessing, evaluating and enhancing the sustainability of ES provided by forests and urban green areas in the face of climate change and increasing urbanization concerns. Areas of interest include, but are not limited to, the following keywords.

Keywords

- Assessing and evaluating ecosystem services
- Ecosystem services, ecosystem disservices, and wellbeing
- Urban biodiversity and ecosystem services
- Ecosystem service degradation, biodiversity losses
- Green infrastructure planning and governance
- Modelling ecosystem services
- Nature-based solutions
- Social-ecological systems
- Urban forest
- Urban sustainability.

Guest Editor

Dr. Dijana Vuletić

Department for Scientific International Cooperation in Southeast Europe – EFISEE, Croatian Forest Research Institute, 10450 Jastrebarsko, Croatia

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
