

Special Issue

Gastronomic Tourism and Its Relation to Sustainability in Tourism Management

Message from the Guest Editors

This Special Issue of *Sustainability* aims to be a forum for future research to focus on the analysis of the state-of-the-art and trends in tourism management research. Therefore, academics and researchers whose field of study is tourism, gastronomic tourism, gastronomic experiences in travel and the tourist image of the city through its gastronomy are invited to present their latest research.

Guest Editors

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
