

Special Issue

Green Practice in Data Storage

Message from the Guest Editors

Scientific papers that make a scientific contribution to the proposed topics or present significant practical results on them will be considered:

- Design of sustainable data storage and data centers;
- Problems of using green energy in data centers' power supply systems;
- Designing a sustainable workplace with the use of green data centers;
- Sustainable smart cities development based on a smart grid.

Keywords

- next-generation data storage and data centers
- green data centers
- sustainable workplaces and sustainable enterprises
- green energy
- smart grid and the effective management of enterprises' power supply
- green business initiatives and their relationship to data storage
- transmission and processing
- sustainable smart cities

Guest Editors

Prof. Svetlana Vladimirovna Shirokova

Prof. Marina V. Bolsunovskaya

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
