

Special Issue

Discursive Mobilization for Green Transformation: Culture, Policy and Methodology

Message from the Guest Editors

This Special Issue welcomes contributions on:

- Cultural and philosophical origins of the environmental discourse;
- Methodological issues related to how environmental ideas are conveyed over time;
- Platforms for circulating knowledge and practices related to ecological transformation;
- Views of ecological transformation as manifested in literature and other cultural outputs;
- Ecological visions in the Global South;
- Bridges between discursive mobilization and material mobilization, defined as an economic and political practice which leads to reduced emissions;
- Relation between industries, environmental movements and production choices;
- Criteria for a sustainable economy in terms of: specific budgetary commitments scale; inclusiveness to diverse occupations; procedures for economic adjustment.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, AGRIS, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
