

Special Issue

Management of Cultural and Heritage Tourism and Its Sustainability

Message from the Guest Editors

This Special Issue of *Sustainability* aims to become a forum where future research can focus on analyzing the state of the art findings and trends in tourism management research. Thus, academics and researchers whose field of study is tourism, cultural tourism, ecotourism, heritage conservation in a tourism environment, and sustainable tourism management at World Heritage Sites (WHS) are invited to present their latest research.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
