

## Special Issue

# Sustainability in Higher Educational Institutions: Incorporating Environment, Society and Economy Spheres in Education, Research and Campus Life

### Message from the Guest Editors

This Special Issue welcomes papers covering approaches for sustainability in HEI, strategies for overcoming resistance to change and other challenges, experiences and case studies, new methodologies, assessment methods, and university collaborations and networks. Possible topics include, but are not limited to, several facets of sustainability in HEIs:

- Education
- Research
- Resources (energy, water, waste, air, biodiversity)
- Architecture
- Mobility
- Social inclusion (accessibility, accommodation and integration of students, equal opportunity)
- Wellbeing
- Communication
- Monitoring, Assessment, and Reporting
- Strategy and Governance

Assoc. Prof. Dr. Tiago Domingos

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
