Innovative Mobility Solutions for Sustainable Transportation

Message from the Guest Editors

We invite high quality papers that present studies relevant to the implementation of innovative mobility services that promote sustainability in urban areas. The papers can target different domains including, but not limited to:

- Innovative mobility services for people and goods;
- Intelligent transport systems (ITS);
- Transport modeling;
- Behavioral modeling;
- Freight vehicle operations;
- Transport demand analysis;
- Transport economics;
- Mobility as a Service solutions;
- Transport policies enabling innovative mobility services;
- Smart city platforms for integrated and multimodal transportation;
- Big data applications for urban mobility;
- Behavioral change support systems for sustainable mobility.

We encourage the submission of studies that adopt multidisciplinary approaches.

Guest Editors

Dr. Panagiotis Georgakis

Dr. Efthimios Bothos

Dr. Babis Magoutas

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits

Open Access:

free for readers, with article processing charges (APC) paid by authors or their institutions.

High Visibility:

indexed within Scopus, SCIE and SSCI (Web of Science), GEOBASE, GeoRef, Inspec, RePEc, CAPIus / SciFinder, and other databases.

Journal Rank:

JCR - Q2 (Environmental Studies) / CiteScore - Q1
(Geography, Planning and Development)
