

Special Issue

Leadership, Occupational Stress and Sustainable Operations: Multinational Perspective

Message from the Guest Editors

This Special Issue offers deeper insight about Leadership, Sustainable Operations and Occupational Stress. We welcome the submission of theoretical and practical developments related to existing studies revising, revisiting, and further exploring the modernized methods to fill the gaps in existing leadership-related knowledge by recommending sustainable means. The objective of this Special Issue is to promote path-breaking research on impact leadership, optimized sustainable operations, and human capital, dealing with various stressors to formulate a new body of knowledge to assist businesses, leaders, and top management in the creation of sustainable organizations.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada
