

Special Issue

Niche Forms of Tourism Activity

Message from the Guest Editor

This Special Issue invites contributions that focus on this multifarious topic that primarily address: the sustainable management of niche forms of tourism; niche tourism within the context of vulnerable settings; tourism business approaches to managing niche interests in a sustainability context; and tourist behavior relating to the impacts of niche tourism.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in Sustainability, an international open access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. The journal publishes original research articles, reviews, conference proceedings (peer reviewed full articles) and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Steve W. Lyon

School of Environment and Natural Resources, Ohio State University,
Columbus, OH 43210, USA
