

Special Issue

Sustainable Entrepreneurship: Beyond Opportunity or Necessity Entrepreneurship?

Message from the Guest Editors

The purpose of this Special Issue is to offer new research directions on opportunity and necessity behaviors in the special context of sustainability entrepreneurship. Research questions may include:

- Is SE opportunity or necessity driven?
- Under what contexts and/or conditions?
- Are sustainable entrepreneurs able to transform a necessity into an opportunity?
- When, how or under what conditions?
- What are the processes behind opportunity and/or necessity driven SE?
- Is climate change the most important entrepreneurial necessity driver?
- Other related topics are also welcomed.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.

Editor-in-Chief

Prof. Dr. Marc A. Rosen

Faculty of Engineering and Applied Science, University of Ontario
Institute of Technology, Oshawa, ON L1G 0C5, Canada

Author Benefits
