

## Special Issue

# Sustainable Physical Activity, Sport and Active Recreation

### Message from the Guest Editors

This special issue invites papers that consider the relationships between sustainability and physical activity, sport and active recreation participation. Papers are invited from a broad range of perspectives and may consider (but not limited to) the connections between physical activity and environmental sustainability, factors contributing to sustainable physical activity, sport and active recreation within communities, relationships between sport, physical activity, active recreation and sustainable development, sport as a platform for sustainability education.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
