

Special Issue

Physical Activity, Health and Sustainability

Message from the Guest Editors

The main aim of this Special Issue is to publish high-quality, multidisciplinary research relating to physical activity, health, and sustainability. We are particularly interested in the benefits of physical activity for health (physical and mental) and for a sustainable development. Manuscripts utilising any method are welcome (e.g., epidemiology, evaluation of interventions, reviews, or those of a qualitative nature). All manuscripts will be peer reviewed by experts in the field and should be submitted by 1 June 2021.

About the Journal

Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
