

## Special Issue

# Advances in Reporting and Corporate Governance in Public Administration: Perspectives for Sustainability

### Message from the Guest Editors

This Special Issue will contribute new insights regarding the relationship between economic, environmental, and social disclosures and the adoption and implementation of corporate governance mechanisms in governments and public sector entities (universities, hospitals, agencies, state-owned enterprises, etc.). Theoretical, empirical, and comparative analysis papers are welcome for this Special Issue.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
