

## Special Issue

# The Effect of Leisure and Recreation on Sustainable Tourism

### Message from the Guest Editors

This Special Issue will contribute to the study of sustainable tourism by presenting a wide range of papers on 'The Effect of Leisure and Recreation on Sustainable Tourism' from the field of natural and social science. Papers that develop state-of-the-art methods for assessing the effect of leisure and recreation on sustainable tourism, leisure and recreation behavior on sustainable tourism, new frameworks for managerial implications, and methods for monitoring environmental impacts to promote sustainable tourism, are all welcome.

## About the Journal

### Message from the Editor-in-Chief

I encourage you to contribute a research or comprehensive review article for consideration for publication in *Sustainability*, an international Open Access journal which provides an advanced forum for research findings in areas related to sustainability and sustainable development. *Sustainability* publishes original research articles, review articles and communications. I am confident you will find the journal contributes to enhancing understanding of sustainability and fostering initiatives and applications of sustainability-based measures and activities.
